[Mardella Louise (Fries) Brenneman,](#) *83, of Mount Wolf, passed away on Sunday, August 9, 2020. Mardella and her son Ken, one of NeyChip's first board members, were the only ones at the first startup meeting of NeyChip, in March 2016. Mardella had attended every NeyChip presentation and is on the NeyChip Honor Roll. She helped with the Mt Wolf Borough 100th and Manchester Borough 150th anniversaries. She was also a member of the Daughters of the American Revolution, South Central Pennsylvania Genealogical Society and the York County History Center. She loved local history.*

We have established a scholarship fund to honor Mardella L. Brenneman. The recipient(s) for the scholarship would be a graduating Northeastern District senior, who is pursuing a degree related to history. If you would like to give in her honor, please go to the home page of Neychip.com and on the bottom click on "Make A Donation" button. Then you must send us an e-mail stating your desire and / or any memories or comments about Mardella.
